

# GUIDE TO YOUR LOCAL FAST FOOD

personal faves only - Liza Simpson Brown

## HOTDOGS 'KÖNIG' MIGDIA

CARRER MIGDIA, 7

*Hamburgers and authentic hotdogs, this is the chain restaurant overtaking Girona, but you can see why it's popular - they do salads too and it's takeaway if you want.*

## BAR 'LA PIADINA'

CARRER DE SANT JOAN BTA.  
LA SALLE, 17

*Best fried rice in town, shame about the attitude but hey! You can takeaway and 'cheap' doesn't cover it. Nice 'n' cheery for a drink on a Sunday night when bar and restaurant choice is limited.*

## PIZZERIA 'QUEIXALADA'

CARRER MALUQUER  
SALVADOR, 26,

*I know there's a pizza takeaway just over the road (it's not bad and they sell quaffable bottles of chianti) but we like this unprepossessing set-up! Opens at 8pm*

## CURRY

JUST DON'T

*'Gravy' about covers it - buy a jar*

## JAPANESE 'SUSHIMORE'

CARRER MIGDIA, 1

*Eat in or take out, pricy but good sushi, mostly maki. Great for a fast getaway.*

## CHINESE RESTAURANT 'GRAN MURALLA II'

CARRER DE LA CREU, 10

*chinese food, nothing special, takeaway or eat in - it's a pleasant setting, been around forever. 8 minutes walk from your home from home.*
